ARE YOU SEEING ONLY PART OF THE PICTURE

ARE YOU SEEING ONLY PART OF THE PICTURE?

The great majority of beer retail establishments are clean wholesome places.

Yet it is the once-in-a-while exception—the anti-social, law-violating tavern (that everybody notices).

Such undesirable taverns give beer a bad name it doesn't deserve. Furthermore, by arousing public indignation, retelling abuses endanger your right to enjoy good beer, the *beverage of moderation*. They also endanger the benefits that beer has brought to Virginia—16,578 persons employed since 1940, an annual payroll of \$14,106, and \$1,792,945.12 taxes paid last year.

While it is the brewers' responsibility to brew good beer and the retailers' responsibility to sell it under wholesome conditions, nevertheless the brewing industry wants anti-social retailing ended. You can help us by (1) patronizing the legal and reputable places where beer is sold and (2) by reporting any violations you may observe to the constituted law enforcement authorities.
